

Everseal is now an authorized stocking distributor for the Spray Nine Product Line

Earth Soap® Cleaner • Degreaser • Parts Washer • Floor Scrubber

Bio-Based • Biodegradable • Concentrated • Low Emulsifying

Ideal for use in parts washers, automatic scrubbers and steam cleaners

Cutting-edge biodegradable technology combines powerful surfactants with low emulsifying action to make Earth Soap a potent yet environmentally thoughtful product. Earth Soap dissolves dirt, grease, grime and other hard-to-remove soils from most hard, washable surfaces. This versatile, concentrated cleaner may be “custom formulated” by diluting in any proportion with water from 4:1 for heavy soils to 50:1 for routine light duty cleaning.

Environmental Attributes:

Bio-Based • Biodegradable • No Solvents • No Butyl
No Phosphates or Other Harsh Chemicals

Available Sizes:	PART #	SIZE
	27901	6 x 1 gallon
	27905	5 gallon pail
	27955	55 gallon drum

AV-8® Aircraft Soap MIL-PRF-87937 Type IV Cleaner

Compliant with: MIL-PRF-87937 • Listed in TO 1-1-691 & TM: 1-1500-344-23

For Use On:

Painted & Unpainted Aircraft Exteriors • Aerospace Ground Equipment and Engines • Army Helicopters

AV-8® is a heavy duty, bio-based, biodegradable, water dilutable cleaning compound. This highly concentrated, micro-emulsion blend of surfactants and builders provides a broad range of cleaning and prevents corrosion during regular cleaning cycles.

Environmental Attributes:

Bio-Based • Biodegradable • No HAPS • Non-Corrosive • No ODS • VOC Compliant
Non-Flammable • No SARA 313 Chemicals • Low Emulsifying

Worker Safety:

No harmful fumes • No known carcinogens • Non-Solvent
Non-Corrosive • Non skin irritant • No ketones which are highly flammable
